[Click here](#) to read more about "aPC" (apexx Pre-Owned Certified)

All apexx Pre-Owned Certified Equipment is subject to availability and/or prior sale.

Pricing is subject to change without notice. Please call for confirmation of Package Price.

Manufacture time is 6-8 weeks on some equipment.

Freight and applicable taxes are not included. Safest/most economical freight will be added to invoice.

apexx will ship anywhere in the free world. All equipment is priced in USD.

A 3-4 week window between your equipment delivery and projected opening date is recommended.

* Payment shown is based on a 60-month/\$1 buy-out lease. Ask your apexx Equipment Consultant about shorter or longer terms, a 10% buy-out and/or deferred lease payment plans. Consult with your CPA for comprehensive financial advice specific to your financial goals and tax situation. All leases require credit approval. Actual lease payment is subject to your credit score.
